Name	Volume	SKU
Micellar detox shampoo	1000g	721372
Micellar detox shampoo	485g	721365
Micellar detox conditioner	450ml	729996

DALAS Micellar care is a new generation of everyday products for your hair. The micellar formula gently cleanses hair damaged by external contaminants. Carefully removes remnants of styling products. Intensively moisturizes, nourishes, and restores hair.

Micelles are tiny particles acting like absorbents. They attract, like a magnet, all kinds of contaminants - sebum, dirt, remnants of cosmetics, and styling. After that, contaminants are simply washed off with water.

Comprehensive care maintains hair fresh look for longer than other products and significantly improves your hair health, making it silky and shiny.

Dalas Hair Pro-tox Shampoo with Keratin, Collagen, and Hyaluronic Acid

Keratin, collagen, and hyaluronic acid are the main active agents of the shampoo formula. Such a rich composition uniquely affects hair condition: it strengthens weak, thin hair, split ends, and dry hair. The shampoo delicately cleanses, filling each curl and roots with nourishing and moisturizing ingredients. Panthenol, coconut, and olive oil provide gentle and effective care, leaving hair soft, shiny, and silky. The consistency of the shampoo is quite thick, spreads gently over wet curls, foams well, and perfectly cleanses. After using the shampoo, the hair gets strength and beauty.

Dalas Hair Pro-tox Hair Cream Mask with Keratin, Collagen, and Hyaluronic Acid

To see a fantastic result and give your hair life and beauty, you should purchase an excellent Dalas Hair Pro-tox mask. The mask is specially designed to restore damaged hair. Its active agents - keratin, collagen, and hyaluronic acid, intensively nourish and moisturize hair, making it soft and smooth. Due to it, you will get rid of brittleness, split ends, and dullness, giving your hair health. The mask does not make hair greasy and does not weigh it down; it spreads easily through hair and rinses off quickly. After applying the mask, hair is combed much better and does not get tangled. Its light, pleasant fragrance remains on the hair.

Dalas Keratin Shampoo with Keratin and Milk Protein

Hair is 97% composed of keratin molecules - a horny protein substance. For its production, it is necessary to saturate your body with proteins from the inside, carefully thinking over the diet. You can also externally nourish your hair with keratin. For this purpose, it is necessary to use this shampoo. Shampoo with keratin and milk protein is the optimal way to wash all hair types. It prevents hair loss and makes curls shiny. They become incredibly soft and easy to comb. When hair is renewed with keratin molecules and milk protein, it looks well-cared and healthy, as its damaged structure is filled with new «construction» material.

Dalas Keratin Professional Treatment Cosmetic Hair Mask with Keratin and Milk Protein Extract

The cream mask is recommended for dry, damaged, and chemically treated hair. Due to the content of milk protein extract, the mask penetrates into the hair follicle and restores the natural hair structure. Nourishes, protects, strengthens dry and damaged hair, prevents its breakage. Hair becomes manageable, soft, and shiny. Besides, the mask contains keratin, a natural component of hair. This component nourishes the hair with moisture and keeps it inside the hair throughout the day. Thus, the hair will be reliably protected from dryness and the harmful effects of sunlight, wind, and rain.
