BALSAM

BALSAMS 911

BALSAM 911 PHYTO CREAM FOR FEET, 100 ML

This product softens and gently exfoliates rough skin of the feet, heals cracks and reduces their depth. Moisturizes the skin on the feet. The cream is intended for daily skin care.

Basic properties:

- moisturizes the skin on the feet;
- reduces sweating of the feet;
- eliminates unpleasant odors;
- has antifungal effect.

BALSAM 911 COMFREY, 100 ML

Natural supportive anti-inflammatory agent. Stimulates the regeneration of cartilage. Improves blood circulation, reduces pain after injuries, fractures, sprains, arthritis, hernias.

BALSAM 911 FOR DAMAGED SKIN, 100 ML

Promotes the restoration of the upper layer of the skin and subsequent care. The balsam is effective for dryness, irritation, cracks, burns, insect bites, scratches, cuts, and allergic rashes. Increases the overall immunity of the skin.

BALSAM 911 DELPHINIUM, 100 ML

Recommended for the treatment of joint diseases: osteochondrosis, radiculitis, osteoarthritis, arthritis, arthralgia. Delphinium stimulates the recovery of damaged tissues, relieves swelling and muscle spasm, accelerates the recovery process in fractures, sprains and bruises. Reduces degenerative changes in the joints, improves their mobility, stimulates the regeneration of cartilage tissue. Increases the body's ability to produce collagen and proteoglycans needed to repair joints. Gently stimulates nerve endings, improves blood circulation.

BALSAM 911 SPONGILLA, 100 ML

The balsam is based on spongilla and has a local irritant, anti-inflammatory and analgesic effect. Actively promotes the active resorption of bruises, hematomas. Reduces swelling after injuries and bruises. Effective as an adjuvant for inflammation of cartilage and joints, for sprains and muscle pain.

BALSAM 911 CHONDROITIN WITH GLUCOSAMINE, 100 ML

Balsam-cream with chondroitin and glucosamine helps to reduce pain in the joints and muscle tissues. Chondroitin improves joint mobility, reduces cartilage wear and joint swelling. Glucosamine helps to restore joint and cartilage tissue, reduces muscle fatigue, strengthens connective tissue.

BALSAM 911 AFTER BURNS, 100 ML

The balsam has strong antibacterial and healing properties. Prevents wound infection, stimulates regeneration processes. Provides painless bandaging during recovery from 2nd degree burns.

BALSAM 911 VENOGEL® WITH BUCKEYE, 100 ML

Designed for daily care of the skin of the legs, prone to the manifestation of signs of varicose veins. The active components of the gel penetrate deeply into the skin, protect the cells of the venous wall from the harmful effects of free radicals.

Basic properties:

- strengthens the vascular wall;
- improves the work of venous valves;
- reduces thrombosis;
- eliminates soft tissue edema
- heals trophic ulcers.

BALSAM 911 FOR INSECT BITES, 100 ML

The product, based on natural plant extracts, soothes the skin after insect bites, relieves itching. The balsam has a regenerating effect (heals wounds) and has a pronounced anti-inflammatory effect.

BALSAM 911 CHILDREN FROM THE FIRST DAYS OF LIFE, 100 ML

Effective and safe product for baby's skin care from the moment of birth. Prevention and elimination of dermatitis, irritation. It has moisturizing, anti-inflammatory, soothing and bactericidal properties. Combination of plant extracts and tamana oil act as reliable protection for the baby's skin, increases skin immunity. Hypoallergenic, without dyes and flavors.

BALSAM 911 COMARUM, 100 ML

The product is used to relieve pain in osteochondrosis, radiculitis, sprains, joint diseases of various origins. Helps relieve muscle tension and swelling of the joints.

BALSAM 911 CHILDREN WITH CHAMOMILE, 100 ML

Effective hypoallergenic product for baby's skin care with chamomile and bur marigold extracts. It has a calming, moisturizing, bactericidal and protective effect. Heals minor skin lesions, nourishes it with useful substances, eliminates irritation and helps prevent them. Does not contain dyes and flavors.

ALOE SERIES

COSMETIC CREAM "SALUTARE JUICE ALOE HAND CREAM", 100 ML

Cosmetic cream "Salutare juice Aloe hand cream" with natural Aloe juice is a great product for care of dry dehydrated skin of hands and body. The active formula of the cream has an extra moisturizing, soothing, healing effect, restores and maintains the hydrobalance of the skin, strengthens the turgor of the skin, prolonging its youth.

FOOD OILS

WALNUT OIL, 100 ML

Walnut oil is one of the most unique products in the plant world for its combination of beneficial properties. The rich chemical composition of this product determines its positive effect on the human body. It has antisclerotic, antioxidant, anti-inflammatory, choleretic, tonic properties. With regular use normalizes the activity of the thyroid gland and improves immunity.

FLAXSEED OIL, 100 ML

Flaxseed oil is a valuable food product and natural, effective prophylactic agent. Flaxseed oil due to its unique chemical composition has antisclerotic, antioxidant, anti-inflammatory, expectorant, choleretic, general strengthening properties. Regular use of flaxseed oil normalizes the body and helps prevent many diseases, strengthens blood vessels, improves health and quality of life.

MILK THISTLE SEED OIL, 100 ML

Milk thistle seed oil is an effective preventive and best natural choleretic agent with a hepatoprotective effect. Due to the content of silymarin and the high content of fatty acids Omega 3, Omega 6 and Omega 9, the oil has an active antioxidant effect, strengthens blood vessels, restores liver cells, and stimulates detoxifying liver function.

SEA BUCKTHORN OIL, 100 ML

Sea buckthorn oil, rich in carotenoids and vitamin C, is a valuable food product. Protects cell membranes and intracellular structures and helps to accelerate healing processes in case of damage to the skin and mucous membranes. It has a bactericidal (prevents the growth of bacteria), enveloping and choleretic effect, improves the body's defenses.

ROSEHIP OIL, 100 ML

Rosehip oil is an excellent natural choleretic agent that is useful for conditions associated with a deterioration in the process of bile secretion. It has a positive effect on the secretion of gastric juice, and has anti-inflammatory, antimicrobial, tonic, wound healing, emollient and vitaminizing action.

COSMETIC OILS

**MACADAMIA OIL,
