DEFAS CHAIR

A designer chair is something that will look really cool. It's almost asking you to sit down, because of how extremely comfortable it is. Our chair is the style itself. It will complement the design of any room, because minimalism is a standard of fashion.

CHAPLIN CHAIR

A designer chair that will save space in the room because of the convenient solution: chair + functional shelf. You can hang on it clothes, hats, handbags, scarves, accessories and in general, everything. Perfect for apartments or houses and ideal for hotel rooms. Comfortable, practical, stylish, and most importantly - a functional choice!

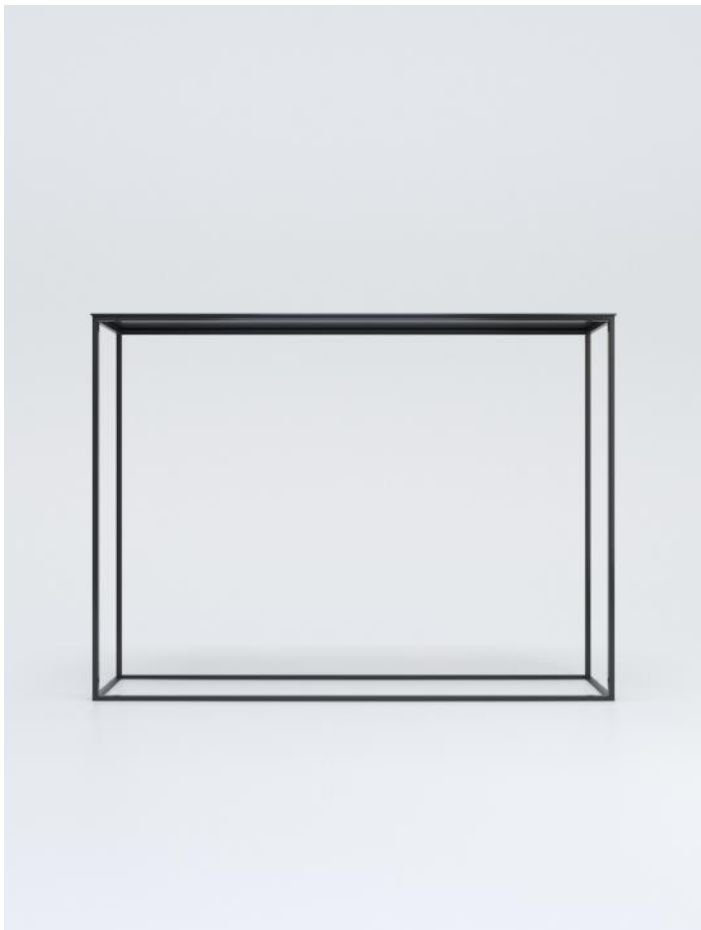

INVY SHELF

A modern and minimalist shelf for your house. It doesn't take up much space, and you can easily access anything that's behind it. Perfect to put decorations, vases, flowers on it. Simple but amazing!

PETRONAS

Compact wardrobe. It is perfect for making capsule wardrobes. You can hang the most necessary things on it: outerwear and full outfits. The elegant look serves a decorative purpose too. A convenient, compact and functional wardrobe is exactly what you need!

SISTERS

A modern and functional wardrobe. Perfect to store clothes and outfits. On the shelves you can put shoes, hats, bags and other accessories. Because of the minimalist design, this wardrobe won't take much space in the room. What a great solution!

BESTIAN

This minimalist furniture is going to make your house feel modern and luxurious. The storage capacity is large, meaning that you can put a lot of things on the shelves: bags, hats, shoes, decorations. Also, there is an area to hang clothes.

TRIO

The trio! They are perfect together and individually. A good-looking solution for apartments, studios and offices. You can hang many clothes on them and also put shoes or bags on the bottom.

TINY STEP FURNITURE

This furniture is great for small apartments and tiny bedrooms. It's a bed and wardrobe together. The stair steps have drawers where you can store your belongings. Above the bed there is space for a computer desk, a chair and even for a nightstand. The simple wood design fits into any room.

COMBONAS

Shelves+rail+mirror = an amazing combo. This 3 in 1 furniture is not only trendy and modern but also super functional. You can hang many clothes on it and put anything on the shelves. But the best thing in this trio is definitely the mirror. It looks awesome, doesn't it?
