

International Students Admissions at Western Balkans University

Western Balkans University every new academic year accepts foreigner students who can follow the regular registration procedure. Foreign applicants can apply to be accepted in all University study programs. Each international candidate must meet all accession criteria, procedures and registration documents which are expressed as below.

Admission quotas for international students are limited as they depend on the approval made by the Ministry of Education and Sport each academic year.

GPA

They must have a general high school average of at least 7 (seven) out of 10 (ten) or equal to it.

English Level

They must present evidence of English language recognition at the "B1" level according to CEFR in one of the following exams: Cambridge, TOEFL Paper-based, TOEFL Internet-based, IELTS, TOEIC, APTIS. In cases where the student has completed his studies at a high school where teaching is conducted entirely in English, he is exempt from the obligation to present this document.

Enrollment Procedure

1. Candidates apply on their own or through an authorized person at the Educational Services Center to benefit from the equivalent of the high school diploma as well as the list of grades.
2. The ad-hoc commission of the Educational Services Center announces the results of the application for the equivalent of the high school diploma and the list of grades.
3. The candidate applies to the Admissions Office at the Western Balkans university with the above documents.
4. The university announces the list of applicant winners for each study program.
5. Candidates conduct the final registration in the study program where they are declared winners by handing over registration documents themselves or through an authorized person.
